### Infant Seat Kradle

Provides a convenient, practical place for parents to rest their children in infant seats/child carriers

#### Product features:

- Raises child to table level to facilitate care, alert wait staff to presence of child and provide parental piece-of-mind
- Folds to a compact size for easy storage and transportation
- Facilitates traffic flow: "footprint" of open Kradle is no larger than that of a typical highchair
- Fits virtually all infant seats manufactured
- Constructed of lightweight steel tubing for strength
- Child protection straps secure infant seat
- Durable mesh sling is easily removed and machine washable
- Non-skid, non-marring rubber caps to provide stable foundation
- Optional wall-mounted holder stores up to 3 Infant Seat Kradles

#### Unit dimensions:

**Height:** 28.5 in (724 mm)      **Width:** 21 in (533 mm)  
**Length:** 24 in (610 mm) open      **Weight:** 8 lbs (3.64 kilos)

#### Additional features:

- 5-year manufacturers limited warranty
- Made in the USA
